**Översikt**

**Viktigaste egenskaperna**

Made from a specially formulated elasticated webbing, this stretch harness conforms to the shape of the operator for improved comfort and maneuverability.

The padded leg straps and belt provide excellent support for the operator, allowing him to work in a comfortable supported or semi-suspended hands-free position.

The front anchorage loops provide an ergonomic anchorage point for use with a rope grab or shuttle.

**Rekommenderade branscher/rekommenderat användningsområde**

**Risker** och energi

- Fall från höga höjder

**Föreskrifter**

- All Miller harnesses are CE certified and comply with EN 361 and, 1 where necessary, with EN 358 and EN 813

**Garantiinformation**

Our state of the art equipment provides the critical tool for worker protection, combining mobility with unsurpassed comfort.

At our ISO 9001 certified manufacturing facilities in Europe, we ensure that every Miller product is made in accordance with the standards and meets your exacting requirements.
